

## Our Home Assistants

We believe in building strong relationships with and providing personalized service to our clients. Our staff members are trained and experienced professionals who genuinely care and demonstrate compassion for others. We provide the same high-quality personal attention that we would give to our own family members.

American Care Givers is bonded and insured and offers quality care by a certified staff at affordable rates. For a free in-home assessment and more information about our programs, call us at (419) 724-0888.
